She is skilled at getting the best-known players of the world.Mix, weave and blend In medieval Europe, seasonal changes resulted in bitter winters with fresh fruits only available in the summer months. Mixed with other ingredients such as wine and other spirits, these fruits became a popular ingredient for mixtures called confitures. They were used to enhance the flavors and properties of wine. The types of confitures still consumed today have changed little since then. Winter is a time for gathering together with family and friends to share food, drink and laughter. Traditionally, families would spend the winter months in the country, enjoying an abundance of fruit from trees and bushes which would be stored for the long cold months ahead. Some of the most popular fruits would include apples, pears, plums and damsons. They were mixed with other ingredients such as wine and other spirits to create a dessert sauce that could be used to flavor the wine. They were commonly known as “confections” or “concretes”. These confitures were also used as a key ingredient in famous dishes such as, (among many others) the famous French dish called “sauce espagnole”. This sauce is a blend of different fruits and wine that
