GTA 4 - Playstation 3 Grand Theft Auto IV (GTA IV) is the fourth title in the Grand Theft Auto series and a sequel to the Episodes From Liberty City, Liberty City Stories and Vice City Stories. The game was released in North America on April 15, 2008 and debuted in Australia on April 26, 2008. It was the first time that the series' engine, Rockstar Games' own in-

house engine "The Fuse" was used. The game released in Europe on May 15, 2008 and in Japan on May 31, 2008.

Gameplay Grand Theft Auto IV is set in the fictional Liberty City, a sprawling metropolis loosely based on New York City. Multiple gameplay modes are available. The traditional open-world game mode is one that allows the player to freely explore the city and engage in any of the game's activities, including driving, flying, and swimming. The game

features a variety of activities, such as racing and poker, that may be performed in any car the player chooses. A side activity known as the Safe House mission is also available, which allows the player to escape from an area under threat of attack, and. GTA IV is the first game in the series to allow players to interact with characters other than the protagonist, Niko Bellic.
