Hronicul Si Cantecul Varstelor Pdf Download. Abstract: The paper provides an overview of the most important problems of structural philology and offers a positive solution to them, namely the use of the computer techniques. The first chapter deals with the history of the science and the contribution of the most important Romanian philologists from the classic period. The second chapter is focused on the "grammar" of the Church Slavonic language, with special reference to the works of the first and last representatives of the Romanian school in the XIX and XX century, Nicolae Alex. leetetervsu/hronicul-si-cantecul-varstelor-carte-pdf-download. And it's the first part of the book, that is about the rhetoric, that we will talk about today, and it's the beginning of the second part that is about the grammar..
