3.0. prohibition on use of the application. customer agrees that its users and customers users agree and shall not use the application for any purposes or in any manner prohibited by this agreement or any applicable quote. customer further agrees that it will not otherwise use the application without arena's prior written consent, and any non-permitted use of the application may result in immediate termination of this agreement and the refunds of all fees paid. the marks and other indicia used by arena are trademark and service marks owned by arena (or its licensors), and used in connection with the arena trademark, service marks, and other indicia. customer agrees that customer will not (a) make any unauthorized use of arena trademarks, service marks, and other indicia, or any materials relating to arena trademarks, service marks, or other indicia, (b) make any false or misleading representations of arena trademarks, service marks, or other indicia (including, without limitation, the unauthorized placing of any marks on any product or service), or (c) make any infringing, pirating, or otherwise unauthorized use of arena trademarks, service marks, or other indicia. arena reserves the right to prosecute and/or bring action to enjoin any such unauthorized use of arena trademarks, service marks, and other indicia. ptc, inc. and arena each own and/or may obtain licenses to use the trademark (the arena or ptc trademark) and any other trademark associated with the arena software. in addition, arena hereby reserves the right, at arena's expense, to use the trademarks in an effort to promote arena products and services. customer shall not use, either directly or indirectly, the arena or ptc trademarks in the course of marketing its products or services without the prior written consent of ptc, inc. customer acknowledges and agrees that arena will be the sole and only authorized user and licensee of the arena trademark in the arena software and documentation.

Rockwell Software ARENA 7.01 - Student Version

hi everybody.i have a challenging problem for you.i am using arena 7.0. imagine a store with max. capacity ot 5 batches.there is a weekly customer/market demand with poisson distribution of 3.i have an optimal ordering policy for this store, which states that, when there are 1,2,3 bathes in the store, an order of 4,3,2 batches have to be done.if the batches are 4 and 5, then no order is done.so each week we have to check how many batches we have in the store and order according to the policy.it is very complicated to me.i will be vary greatful if you help me.thanks in advance. i have installed arena 7.01 and connected a customer.now, i want to run arena 7.01 with automatic mode, but my problem is that my customers likes this software very much, but i cannot find any options for automatic mode. can you please help? thank you. i have a challenging problem for you.i am using arena 7.0. imagine a store with max. capacity ot 5 batches.there is a weekly customer/market demand with poisson distribution of 3.i have an optimal ordering policy for this store, which states that, when there are 1,2,3 bathes in the store, an order of 4,3,2 batches have to be done.if the batches are 4 and 5, then no order is done.so each week we have to check how many batches we have in the store and order according to the policy.it is very complicated to me.i will be vary greatful if you help me.thanks in advance. 7.1 ownership. title to the application, documentation, updates, and all patents, copyrights, trade secrets, and other worldwide proprietary and intellectual property rights in or related thereto are and will remain the exclusive property of arena and its licensors. customer may not remove, obscure, or alter any titles, trademarks or trade names, copyright notices, legends, or other proprietary markings in or on the application or documentation and will not acquire any rights in the application or documentation, except the limited license specified in this agreement. arena and its licensors own all rights in any copy, translation, modification, adaptation, or derivative works of the application, including any improvement or development thereof. arena retains all rights not expressly granted to customer in this agreement. customer shall promptly notify arena in writing upon discovery of any unauthorized use of the application or documentation or infringement of arenas proprietary rights in the application or documentation. 5ec8ef588b
